

“...TO WHOM SHALL WE GO...”

John 6:60-71

1 EVERYONE IS GOING SOMEWHERE TODAY.

- A. We live in a restless generation - un-fulfilled; hyperactive; seeking.
- B. Our local transit situation - gone before settling.
- C. Our International travels - even many “poor” make the tours - oil Co. personnel - business branches - U.S. Military, etc.
- D Our interplanetary programs

2. MODERN MEANS OF TRANSPORTATION CAUSES MUCH TRAVEL.

- A. Teens scattered across America - Gone for excitement, because of dares, in search of fame and fortune.
  - 1) Autos too accessible - the families, some friends, or stolen.
  - 2) The 'Jet Set' - hopping from hither to yon in a matter of hours ( Sometimes arriving before they leave- time zones )

3. ALL KINDS OF PEOPLE TRAVELING.

Executives ,minor business people, Missionaries, young, old, rich, poor. Happy, sad, clean cut, bushy desert rats, singles, families, caravans.....

4. LET'S APPLY THIS SPIRITUALLY. “To Whom Shall We Go...” Jn.6:68

- A. Most of the human race is going the wrong way. Isaiah 53:6 ; look at Romans 3:12 and Matthew 9:35,36 - Not our estimation - God's.
- B. Many go to psychiatrist - One on T. V. one evening says he charges a minimum of \$100.00 per hour. After they leave it is probably a ten cent aspirin or a three dollar shot of scotch.
- C. Some seek the Professors - They have all the answers, surely. They say, “your fore fathers were apes, your parents were monkeys” ,and they make a donkey out of you.
- D. How about the Doctors? - Not complaining. I just wonder if they are as smart as they act - Most common answer is “...I am not sure...take two aspirins and come back next week.”
- E. Hey! - The Priest ! - If anybody can do it, he can! Only one problem. No man can meet their need.
- F Why not the Preacher - same answer. Don't go too often, he will develop a “big head.”

WELL THEN...TO WHOM SHALL WE GO ?

JESUS CHRIST -

5. HE IS THE ONLY ONE TO WHOM WE CAN GO AND BE HELPED.

- A. He has the Words of Life - John 6:68
- B. He is the Life - John 14:6
- C. He came from Heaven -
- D. He gave His body and blood -
- E He is the Christ, the Son of the Living God - John 5:11  
1 John 5:11 - He that hath the Son, hath Life

6. YOU ARE GOING SOMEWHERE SPIRITUALLY AND ETERNALLY.

You are traveling that way today.

Are you going toward God ?

Are you going to Heaven.....Are you sure ?

Are you traveling with Jesus ?

Or,

Are you going away from God

Going away from Heaven

Following the world, the flesh and the Devil

Headed for a Christ less eternity

Ending up in a Devils Hell ????

TO WHOM SHALL WE GO /

HE HATH THE WORDS OF LIFE - COME TO JESUS !

Think about.....

The reality of death

The certainty of eternity

The Impending Judgment

The importance of decision
